

# Ensure a Successful Responsible Distribution<sup>®</sup> 6th Cycle Audit!

**Are you concerned about your annual Responsible Distribution<sup>®</sup> 6th Cycle Audit? Let us erase those fears.....**

**Eagle Group** and **Fisher Arnold** bring over 50 combined years of consulting, auditing, environmental regulatory compliance and operational training expertise to *the success* of your EHS&S program and your application for Responsible Distribution<sup>®</sup> 6th Cycle. As an NACD Affiliate, and now a NACD Advisor, our team will review your programs and provide specific consultation to ensure you meet and/or exceed the new more stringent NACD verification requirements prior to your NACD audit. For nearly a decade, Eagle Group led in the development of the current NACD Responsible Distribution<sup>®</sup> Technical Specification system platform.

**Let us share that experience with you.**
