Eagle Group Celebrating 25 Years of Management Systems Consulting, Auditing & Training Services

Troy, Michigan January 6, 2020 – Eagle Group USA, Inc., a Veteran-Owned Business (VOB) that specializes in providing business, industry and government organizations internationally recognized management systems consulting, auditing and training whether your need is in Automotive, Aviation, Chemicals, Petro-Chemicals, Manufacturing, Power Generation, Transportation, Medical Devices, Warehousing or another industries. We offer a wide range of Management System solutions in quality, environmental, and health, safety & security systems that include auditing, consulting, documentation development, and over 40 training courses, says Deborah Iafrate Executive Vice President of Sales.

“In celebrating our 25th anniversary, it is important to look at the differentiators that got us here, our people and their commitment to our core principles and philosophy,” said Clyde Pearch President. We strive to provide effective and efficient services to the global marketplace that meet or exceed our client needs and expectations.

Eagle Group Philosophy

We believe the client ALWAYS comes first and our goal is a completely satisfied client

Our Core Principles include:

- Having integrity in all we do
- Providing inspired leadership
- Recognizing the value and contribution of all

Reasons to choose Eagle Group:

- We strive to do things right - the first time - on time - every time, to continually improve our services as well as our management system through team involvement, policy review, training and our “do whatever it takes” attitude!
- Our dedicated staff have over 100+ years of combined experience providing consulting, auditing and training to a wide range of companies, industries and government organizations.
- Our experience within the integration and multiple applications of ISO 9001, ISO 14001, ISO 45001, RCMS®, RC 14001, AS9100, IATF 16949, ISO 13485 and more.
- Our experience in the management and scheduling of over 250 client locations we currently provide auditing services to in a wide range of industries; including aerospace, energy, manufacturing, chemical, transportation and services.
- We practice what we preach - Eagle Group® is one of only a select few competing consulting, auditing, and training companies in North America that is an ISO 9001 registered company.
